2. Jurisdiction

Usually, only two types of cases can be filed in federal court: cases involving "federal questions" and cases involving "diversity of citizenship." Check at least one box.

☒ My case belongs in federal court under federal question jurisdiction because it is about federal law(s) or right(s).

Which law(s) or right(s) are involved? The Freedom Of Information Act of 1966

5 USC § 552 (a) (6) (A)(i) did not reply within 20 days

☒ My case belongs in federal court under diversity jurisdiction because none of the plaintiffs live in the same state as any of the defendants AND the amount of damages is more than \$75,000.

1 3. Venue

2 This Court can hear cases arising out of Alameda, Contra Costa, Del Norte, Humboldt,
3 Lake, Marin, Mendocino, Monterey, Napa, San Benito, Santa Clara, Santa Cruz, San Francisco,
4 San Mateo, and Sonoma counties. This is the right court to file your lawsuit if 1) All defendants
5 live in California AND at least one of the defendants lives in this district; OR 2) A substantial
6 part of the events you are suing about happened in this district; OR 3) A substantial part of the
7 property that you are suing about is located in this district; OR 4) You are suing the U.S.
8 government or a federal agency or official in their official capacities and you live in this district.
9 Explain why this district court is the proper location to file your lawsuit.

10 Venue is appropriate in this Court because

11 _____ The Case is against the Federal Government _____
12 _____

13 4. Intradistrict Assignment

14 There are three divisions of this Court: San Francisco/Oakland, San Jose, and Eureka.
15 The San Francisco/Oakland division covers Alameda, Contra Costa, Marin, Napa, San
16 Francisco, San Mateo, and Sonoma counties. The San Jose division covers Monterey, San
17 Benito, Santa Clara, Santa Cruz counties. The Eureka division covers Del Norte, Humboldt,
18 Lake, Mendocino counties, only if all parties consent to a magistrate judge. Explain which
19 division your case should be assigned.

20 This lawsuit should be assigned to [Select one: San Francisco/Oakland, San Jose, OR
21 Eureka] Division of this Court because
22 San Francisco where the Federal Reserve Bank is located
23 _____

24 5. Statement of Facts and Claims

25 Write a short and simple description of the facts of your case. Include WHERE and
26 WHEN the events happened, WHO was involved, WHAT role each defendant played, and HOW
27 you were harmed. If you know which laws or rights the defendant violated, you can include them,
28 but you do not need to make legal arguments. Put each fact or claim into a separate, numbered

1 paragraph, starting with 5a, 5b, and so on. Attach additional sheets of paper as necessary. You
2 may attach documents that support your claims to the end of this Complaint as exhibits. Explain
3 what each exhibit is, when and how you got it, and how it supports your claims. Attaching a
4 document to your Complaint does not necessarily mean that it will be accepted as evidence.
5 I attended college at the College of the Siskiyous in the college year of 2009-2010. I am in the
6 process of having my student loan disbursement verified and attempting to determine
7 exactly what bank account was credited with the funds from the disbursement checks. I have
8 sought the help of the Consumer Finance Protection Bureau. The Consumer Finance
9 Protection Bureau has given two case numbers for this work. The first case is
10 120515-001202 and this case is to verify that the loans was infact disbursed and the
11 Consumer Finance Protection Bureau successfully verified the disbursement of the
12 loans with four checks. The second case is 120626-000366 and is about the lawful
13 disbursement of my student loan-I claim I did not receive all of the money. The
14 Consumer Finance Protection Bureau has only provided limited support in my effort
15 to seek facts. I then turned to the Federal Reserve and asked the Federal Reserve's
16 Freedom Of Information office for information on whether the Federal Reserve was the
17 transferrer of the funds of the stolen checks.I now know I was referring to the ACH-
18 Automated Clearing House. I may have been mistaken about which two checks were
19 stolen because there was confusion because Bank of America did not initially provide a check
20 deposit receipt for one of the checks and there was an issue of different sequence
21 numbers. I did receive two email one day after the 20 days of "work days" were up ,one from the
22 Federal Reserve Office of the Inspector General and one from the Federal Reserve Consumer
23 Help office but not a reply to my Freedom of Information request. I still believe that the Federal
24 Reserve denied my Freedom and refused to reply with the Freedom of Information request
25 and did not comply with the Freedom Of Information Act of 1966. I could of advanced
26 my case to determine what happened to the disbursed loan checks if and when the
27 Federal Reserve Complied with 5 USC § 552 (6) (A) (i)-July 4, 1966. I will provide as evidence
28 exact copies of the FAX I sent including a FAX receipt and two emails.

1 6. Demand for Relief

2 State what you want the Court to do for you. For example, depending on which claims
3 you raise, it may be appropriate to ask the Court to award you money or order the defendant to
4 do something or stop doing something. If you are asking for money, you can say how much you
5 are asking for and why you should get that amount.
6 I ask the court for \$275,000 in damages without undue costs or delay and the Board of Governors
7 of the Federal Reserve System be required to determine exactly what account was credited with
8 the funds from now all five checks that disbursed my Student loan.

16 7. Demand for Jury Trial

17 Check this box if you want your case to be decided by a jury, instead of a judge.

18 ☐

19 Plaintiff demands a jury trial on all issues.

20 All plaintiffs must sign, date, and print their names at the end of the Complaint. Attach
21 another page if you need to.

Mr. Conover:

The Office of Inspector General (OIG) of the Board of Governors of the Federal Reserve System and Consumer Financial Protection Bureau (CFPB) has received your December 5, 2012, e-mail alleging the Federal Reserve's involvement with "stolen student loan disbursement checks." As previously indicated in our September 20, 2012, e-mail to you, the Federal Reserve Banks provide check collection services to depository institutions. Because the Federal Reserve Banks act as an intermediary bank in the check processing system, a number associated corresponding to a Federal Reserve Bank may appear on a check. For information regarding the Federal Reserve's role in providing check services you may wish to visit the following websites:

<http://www.newyorkfed.org/aboutthefed/fedpoint/fed03.html>
http://www.federalreserve.gov/paymentsystems/check_about.htm

If you would like to report stolen checks, we suggest you contact your local police department.

Regrettably, we are unable to assist you further with this matter.

0A Please help me as a consumer. Wells Fargo Bank disbursed my student loan through the College Of the Siskiyous and 2 of the checks were found to be cashed in another account at Bank of America after I sought the help of the Consumer Finance Protection Bureau. I have also sought help with the Freedom of Information Act at the Federal Reserve but was denied the benefits of the Freedom of Information Act by the Federal Reserve and the Fed only referred me to the Consumer Finance Protection Bureau. I went back to the Consumer Finance Protection Bureau with the same exact request only addressed differently and the Federal Reserve refused to reply or comply. I need help with getting all the benefits of the Freedom of Information Act at the Federal Reserve and compliance with the Consumer Finance Protection Bureau. I need your help in pinning the Federal Reserve down and establishing that the Federal Reserve did Transfer the funds of the stolen student loan disbursement checks from bank to bank. Can you help me find the regulation that establishes the Fed as transferring agent?
